## Summer Reading Notes

*Below is a template for you to record your thoughts as you are reading your Summer Reading selection. You can write your notes down on your hard copy, or you can use the electronic version we have shared with you via Hapara/email. This template is guide for you, but you should feel free to take more notes if you feel it will be helpful to you as you complete your Summer Reading project. REMEMBER: Your Summer Reading notes and Summer Reading project are your first graded assignments in Humanities!*
