

2018-19 Tuition Assistance Application

Application must be received at 6651 SW Capitol Hwy., Portland, OR 97219
Application MUST be accompanied by completed Afterschool Enrollment application
AND Required Registration Fee

Please Note: Tuition Assistance will not exceed 50% off tuition.
There are a limited number of special scholarships available.
All information is held strictly confidential

We are pleased that you have chosen PJA for your child(ren). Tuition assistance is determined on the basis of need, timely submission of the application and completed Afterschool program registration forms, and payment of the Registration Fee. To be considered for tuition assistance for the 2018-19 academic year, please complete all of this application and attach a copy of your signed and filed IRS 1040 for 2014 or foreign income tax return. Also, please note on the application any significant changes in income or resources from the previous tax year to the present.

- All parents must sign and return an IRS Form 4506, which is attached as a separate document. No fee is required with this form. This form enables PJA to get a copy of an applicant's tax return directly from the IRS. Independent schools use this form to ensure that the tuition assistance process is fair and complete. This is in addition to a copy of your tax form.
- Parents who are divorced or separated are required to have both birth parents and step-parents submit financial information (use separate application forms). The only exception is if there is a court order mandating that one parent provide all support for the child. In that case, please attach a copy of the court order. Again, this policy is instituted to make the tuition assistance process fair and complete and to ensure an accurate picture of a family's total finances.
- No application will be considered unless all past due balances are brought up to date or a payment arrangement has been accepted by PJA.
- Parent(s) or responsible guardian(s) must sign this form at the end of the application. Your signature certifies that all information recorded is correct.
- Determination of aid is solely the responsibility of the PJA Tuition Assistance Committee. This committee considers all submitted information and individual financial aid decisions to be strictly confidential.
- Final award is contingent upon evaluation of your 2017 income tax forms which needs to be submitted to PJA with this application.
- Please do not hesitate to contact Beth Germain, Chief Financial Officer, 503.535.3593, bgermain@pjaproud.org if you have any questions.
